ORDINANCE NO. 644

FIRST SUPPLEMENTAL ANNUAL APPROPRIATION ORDINANCE FOR THE CITY OF  
LEROY, ILLINOIS, 1995-96

WHEREAS, the Mayor and City Council of the City of LeRoy, McLean County, Illinois, an Illinois municipal corporation, have determined that it is in the best interest of the City of LeRoy to undertake a storm sewer construction project in connection with the State of Illinois, Illinois Department of Transportation, proposed construction work along Rt. 150 through the City of LeRoy from the west city limits to the east city limits, as the lack of storm sewers in the city represents a hazard to the public health, safety and welfare, and the City would be better enabled to achieve economies of scale and more efficient use of funds by undertaking the aforesaid construction work in connection with the State of Illinois highway construction work as aforesaid; and

WHEREAS, the Mayor and City Council of the City of LeRoy, McLean County, Illinois, have determined that revenues would be available to the City of LeRoy in addition to those initially anticipated and appropriated when the annual appropriation ordinance for the City of LeRoy for the fiscal year 1995-96 was adopted,

NOW, THEREFORE, BE IT ORDAINED, by the City Council of the City of LeRoy, McLean County, Illinois, in lawful meeting assembled, as follows:

Section 1. That Appropriation Ordinance No. 618, being the general appropriation ordinance for the City of LeRoy for fiscal year 1995-96, is hereby amended by the addition of the following words and figures as a separate line item at the end of all other line items set forth in V.

C. Capital Items:

"For expense of installation and construction of storm sewers under, along and either side of Rt. 150 through the City of LeRoy, Illinois, from the west city boundary of the City to the east boundary of the City, more or less following Washington Street for a ways, Walnut Street for a ways, and Cedar Street to the east boundary of town,

including oversizing of mains and other facilities to be installed  
by the Illinois Department of Transportation .....\$260,000.00",

to the extent of said additional appropriation, the sub-totals of appropriations for the Sewer  
Department, and of the total appropriation ordinance of the City, are considered amended  
consistent with the addition of the line item for the \$260,000.00.

Section 2. The new revenues to the city expected to be received are the result of the sale of  
general obligation bonds under the authority of 65 ILCS 5/8-5-16 which revenues are expected to
