(and as shown in an easement plat, a copy of which is attached hereto as Exhibit A, incorporated herein by reference).

The easement granted herein shall be for the limited purposes of constructing, reconstructing, installing, replacing, repairing and maintaining one or more sub-surface municipal sanitary sewer lines located in, along, and upon the Easement Premises.

The subject premises shall not be available for public use as a travelway, roadway, or other means of ingress or egress to any other property, but shall be used for the purposes as previously set forth herein. The City of LeRoy, its agents, employees and assignees, shall have the right from time to time to enter and depart over and upon the above-described premises to effect the purposes of the easement herein granted.

In consideration of the conveyance by GRANTORS, MUNICIPALITY agrees as follows:

1. Upon completion of any construction, reconstruction, installation, replacement, repair, or maintenance, of any one or more sub-surface sanitary sewer lines, as provided previously herein, MUNICIPALITY shall restore the premises previously described herein to that condition as such premises existed prior to the aforesaid construction, reconstruction, installation, replacement, repair or maintenance, as nearly as may be reasonably possible, in keeping with good engineering practices and accepted soil erosion control practices.

2. GRANTORS shall have the right to use the premises located within the easement description for purposes not inconsistent with MUNICIPALITY's full enjoyment of the rights hereby granted, provided that GRANTOR shall not erect or construct any building or other structure, or drill or operate any well, or construct any other obstruction within the easement way.

3. Any and all costs and expenses with regard to the aforesaid easement and use of the same by MUNICIPALITY, including, but not limited to, construction, reconstruction, operation and maintenance, in good repair, of the aforesaid sub-surface sanitary sewer lines shall be the duty and obligation of MUNICIPALITY and MUNICIPALITY shall repair any damage caused by it to GRANTORS' premises, and shall save and hold harmless and indemnify GRANTORS from any and all liability which may be incurred by GRANTORS by reason of the construction, reconstruction, maintenance, in good repair, or operation, of said sub-surface sanitary sewer line(s) installed by or operated by MUNICIPALITY, and that may be incurred by GRANTORS by reason of MUNICIPALITY's exercise of its right to enter and depart upon the described easement way as previously set forth herein. Any and all costs in regard to any future improvements or reconstruction of any sub-surface sanitary sewer line(s) installed by or operated by MUNICIPALITY, either existing or to be constructed in the future, including, but not limited to, construction, reconstruction, operation and maintenance of said sub-surface sanitary sewer line(s) installed by or operated by MUNICIPALITY, shall be the duty and obligation of MUNICIPALITY.

4. MUNICIPALITY agrees, upon the completion of any construction, reconstruction, installation, replacement, repair or maintenance work conducted by it on or in the easement way to reseed any stand of grass in the easement way, to the extent of any grassy area damaged, and to follow up the reseeding, as may be necessary, to water and fertilize the seed bed in order to re-establish the grassy area in a condition the same as or better than it existed prior to the damage to the grassy area by MUNICIPALITY or its agents, employees, or contractors.

5. The parties hereto agree that MUNICIPALITY, its agents, employees and contractors, from time to time, may place temporary stakes and markers within the easement way in order to facilitate construction, reconstruction, or repair work. Further, that GRANTORS shall not place any fencing along the sides, on either end, or within the easement way, without MUNICIPALITY's consent; nor shall GRANTORS place any improvements along the sides, on either end, or within the easement way, without MUNICIPALITY's consent; nor shall GRANTORS place or plant, or cause to be placed or planted, any trees or shrubs along the sides, on either end, or within the easement way, without MUNICIPALITY's consent. MUNICIPALITY's consent shall not be unreasonably withheld.

6. All provisions of this instrument, including the benefits and burdens, run with the land and are binding upon and inure to the heirs, assigns, tenants, personal representatives, and successors in interest, of the parties hereto.

7. The rule of strict construction shall not apply to this grant of easement. This grant shall be given a reasonable construction so that the intention of the parties to confer a usable right in grantee (MUNICIPALITY) is carried out.

8. This written agreement contains the sole and entire agreement between the parties, and supersedes any and all other agreements between them. The parties acknowledge and agree that neither of

them has made any representation with respect to the subject matter of this agreement or any representations inducing the execution and delivery of this agreement except such representations as are specifically set forth herein, and each party acknowledges that he, she, or it has relied on his, her, or its own judgment in entering into this agreement. The parties further acknowledge that any statements or representations that may have heretofore been made by either of them to the other are void and of no effect and that neither of them has relied thereon in connection with his, her or its dealings with the other.

9. No waiver or modification of this agreement or of any covenant, condition or limitation herein contained shall be valid unless in writing and duly executed by the party to be charged therewith. Furthermore, no evidence of any waiver or modification shall be offered or received in evidence in any proceeding, arbitration, or litigation between the parties arising out of or affecting this agreement, or the rights or obligations of any party hereunder, unless such waiver or modification is in writing, duly executed as aforesaid. The provisions of this paragraph may not be waived except as herein set forth.

10 This agreement and performance hereunder and all suits and special proceedings hereunder shall be construed in accordance with the laws of the State of Illinois.

11. Should either party, or the respective heirs, executors, administrators, assigns or successors in interest of either party, to this agreement, be required to incur attorney fees, costs, and/or other expenses as a result of the other party's failure to perform any obligation pursuant to the terms of this agreement, then the party so failing to perform shall be liable to the other party for any reasonable attorney fees, costs, and expenses incurred by such other party. Should either party to this agreement, or the respective heirs, executors, administrators, assigns or successors in interest of either party, fail to reimburse the other party for such reasonable attorney fees, costs, and other expenses, as aforesaid, then said amount may be obtained or collected by the party to whom it is due by bringing an action against the other party for such fees, costs and expenses incurred as a result of the first party's failure to perform, in which case, any additional attorney fees, costs or other expenses incurred in the collection of the aforesaid fees, costs, and expenses shall also be due from the party failing to perform.

12. It is expressly understood and agreed between the parties to this agreement that in the event a court of competent jurisdiction shall at any time after the date of this agreement hold that a portion of this agreement is invalid, illegal or unenforceable, that the remainder shall not be affected thereby, but shall continue in full force and effect.

13. No waiver by any party of any breach hereunder shall be deemed a waiver of any other or subsequent breach.

14. Whenever the context of this agreement requires, the masculine gender includes the feminine or neuter, and the singular number includes the plural.

15. This agreement shall be binding upon and inure to the benefit of the respective parties, their respective heirs, executors, administrators, assigns and successors in interest.

16. This agreement may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same agreement.

17. Service of all notices under this agreement shall be sufficient if given personally or mailed via certified mail to the party involved at its respective address as set forth in this Section 17. of this agreement, or at such other address as such party may provide in writing from time to time in accordance with this section regarding notices.
