RE: Garbage Pickup Changing to FRIDAY

Dear LeRoy Customer,

Area Disposal Service, Inc. is changing your garbage pickup day from Tuesday to **FRIDAY** effective the week of January 28th, next week. The change is necessary to better balance our personnel and equipment resources throughout the week. Recycling pickup will remain on Thursdays. For your convenience, a recycling calendar schedule for 2018 is printed on the back of this letter.

We trust this slight change to your weekly routine is not overly disruptive. Please place your trash cart at the curb by 6am on Friday, February 2, and each Friday thereafter.

Thank you for your business. We are proud to be the solid waste provider for the City of LeRoy.

Sincerely,

Area Disposal Service, Inc.
