DATE 1/3/92 SUBJECT LeRoy - IEPA loan
TO Mayor Davis and Aldermen

Enclosed is a copy of an ordinance prepared by Kurt Froelich and myself for approval of the IEPA loan and commitment to repaying the same. I will be talking with Kurt Monday (he was gone out of town to meeting today) to see if there is any reason why we can't pass this ordinance. We still need one or two legal opinions to send to EPA and probably a final ordinance saying "approve the loan contract EPA sends us" but those things can't come until we get started. Hunt

Section 2. Publication and Notice. Within ten (10) days after the adoption of this ordinance by the Corporate Authorities, this ordinance, preceded by a notice conforming to the requirements of the Act (in substantially the form thereof presented at the meeting of the Corporate Authorities at which this ordinance is adopted), shall be published in the *LeRoy Journal*, published in LeRoy, Illinois, the same being a newspaper (as described in AN ACT to revise the law in relation to notices, R.S.1874, p. 723), and of general circulation within the Municipality, and if no petition, signed by not less than the number of electors of the Municipality being equal to fifteen percent (15%) of the number of electors actually having voted for the Mayor at the last preceding general Municipal election at which the Mayor was elected, asking that the question of so acquiring, constructing and installing the Project and issuing the bonds to pay the cost thereof be submitted to the electors of the Municipality, is filed with the Clerk of the Municipality within ten (10) days after the date of the publication of this ordinance and such notice, then this ordinance shall be in full force and effect. question shall be held as set forth in such notice at the general primary election to be held on March 17, 1992, if such election is held and such question is presented, and otherwise at the next election at which such question could be presented. The Clerk shall have available and provide a form of petition (in substantially the form as presented before the meeting of the Corporate Authorities at which this ordinance is adopted) to any person requesting one.

Section 3. Additional Ordinances. If no petition meeting the requirements of applicable law is filed as provided above in Section 2, and there is no material change in the Project and the purposes herein described, then the Corporate Authorities in accordance with and pursuant to the Act may adopt additional ordinances or other proceedings supplemental to or amending this ordinance, providing for the sale of up to but in any event not to exceed \$145,000 of its sewerage revenue bonds, prescribing the details of such bonds, and providing for the collection, segregation, application and distribution of the revenues of the System. Such additional or supplemental ordinances or other proceedings shall in all instances become effective in accordance with applicable law; and this ordinance, together with such additional ordinances or other proceedings, shall constitute complete authority for the issuance of the bonds under applicable law. The bonds shall not constitute an indebtedness of the Municipality within the meaning of any constitutional or statutory provision or limitation, such obligations being payable solely from revenues of the System.

Section 4. Severability and Repealer. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.
