City Administrator David Jenkins

The Police Department has the below listed property that I wish to have the City Council declare as surplus property at the next council meeting, and have the council provide direction on disposal of the property (auction or gifting to another police department).

#1. Breathalyzer. Intoximeter RBT V, S# 018367, 10 years old. I believe this item was purchased with grant funding. It was placed in service 1-26-2004. We replaced this with the new Intoximeter Point of Arrest breathalyzer, which was just purchased for \$3800 with grant funds from the Mclean County Crime Detection Network. The replacement was routine preventative replacement of essential equipment. The RBT V was at the end of its life expectancy. The Illinois State Police, who certify the machines, said it is maybe worth \$100, and that they would require it to be refurbished which would likely cost the receiving department about \$400, before they would place it into service.

#2. One hard plastic back seat for a late model Ford Crown Victoria.

#3. One set of rear window guards for a late model Ford Crown Victoria.

#4. One rear partition (cage) for a late model Ford Crown Victoria.

#5. One rear partition (cage) for a late model Ford Crown Victoria.

#6. One Toughlock universal shot gun mount.

Thank you,

A handwritten signature in black ink, appearing to read "Jason T. Williamson". The signature is fluid and cursive, with a long horizontal stroke at the end.
