

WATER SUPERINTENDENT

The City of Le Roy (population 3700) seeks candidates for the position of Water Superintendent of a small community 15 miles southeast of Bloomington and 25 miles northwest of Champaign. The department has an annual budget of \$1,000,000. The Water Department is one of three divisions of the Public Works Department. The superintendent is hired by the City Council and reports to the City Administrator.

City seeks experienced water superintendent with skills in planning, supervision, and staff development committed to community service, with outstanding leadership and administrative skills.

Candidate must possess ability to develop good working relationship with other agencies and have a minimum of five years progressively responsive water operations experience, including 2 years of supervisory and/or management experience.

State of Illinois Class A or greater water certification and CDL licensing is required. Advanced leadership training is also desirable.

The salary base is \$55,000 and is commensurate with education and experience. The position pension is through the Illinois Municipal Retirement Fund (IMRF). Residency within the corporate limits of the City of Le Roy is required within one year. EOE. The process will remain open until the position is filled.

Interested and qualified candidates should apply/inquire at once with resume and 5 references to Le Roy City Hall, 207 S. East Street, Le Roy, IL 61752, or email to City Administrator Samantha Walley (swalley@leroy.org). Applications are available at City Hall and online at www.leroy.org. For questions, please call (309)962-3031.
