RE: Required closings effective today

As of 9:00 tonight (Monday, March 16, 2020), the governor has mandated that all restaurants, bars, and gaming locations cease in-house service to any and all patrons. The closure is in effect through March 30, 2020.

Carry out and delivery service is allowed to continue, and the current ruling does not affect package sales in liquor stores or grocery stores. However, no patrons are allowed to gather in affected businesses for any purpose other than picking up food/beverage items for carry out.

Le Roy Police Department will be monitoring establishments to assure compliance. If you have questions, please contact me directly at 309-660-3866.

Thank you for your compliance.
