City Webinar directions

Registration is required so speakers can be identified.

 Enter name and email address.

 Pre-registering will send you an email with a direct link for when webinar starts.

From a computer….

 Follow the link to webinar and follow directions on screen

Mobile devices….. work best with the App

 Follow the link to register for webinar

Once Webinar has begun…

 If you would like to speak during the public comment section – click on hand icon and wait to be recognized. Reminder: Comments at this time may be on any topic EXCEPT items on the agenda

 Use Question box to type questions during the rest of the meeting

  NOTE: App has '?' icon to open question box
