City of Le Roy Utility Bill codes explained

WA – Water usage – Residential minimum charge (within the City Limits) is $ 9.30 and includes first 1000 gallons in each billing cycle. Usage over 1000 gallons charged at $ 9.30 per 1000 gallons (within City Limts).
Each property has a meter for water used.

SW – Sewer usage -- Residential minimum charge $ 9.30 and includes first 1000 gallons in each billing cycle. Usage over 1000 gallons charged at $ 9.30 per 1000 gallons.
Where City Sewer is available sewer usage is measured as equal to water usage.

RE – Refuse charges for trash removal based on size of container – Residential tote $ 17.00
Residential Recycling included even if not used by individual residence

PB – Previous balance on account at time of billing

SF – Storm Sewer Fee – Long Term Control Plan - $ 0.25
Storm Sewer construction is complete but EPA is still monitoring results.

WC – Water Capital Projects - $ 8.00
