

City of LeRoy
Project Sand Filter Rehabilitation

L17 0041

RESOLUTION OF INTENT REGARDING NATIONAL FLOOD INSURANCE

Whereas application provisions for loans from the Water Pollution Control Revolving Fund requires compliance with the National Flood Insurance Act of 1968, as amended, and

Whereas the costs of securing and maintaining flood insurance are eligible for loan participation during the approved construction period, and

Whereas failure to secure flood insurance for eligible construction located in designated flood hazard areas will cause this construction to become ineligible for loan funds;

Now therefore, be it resolved that the City
of LeRoy will cooperate and coordinate with the National Flood Insurance Program to acquire and maintain any flood insurance made available for Project L17 0041 for the entire useful life of the insurable construction pursuant to the Flood Insurance Act of 1968, as amended and that it will secure said flood insurance for each insurable structure, as soon as said insurance is available and will notify the Illinois Environmental Protection Agency in writing that the National Flood Insurance requirement has been satisfied.

Resolved this 4th day of November, 1991
