WHEREAS, the City of Le Roy, McLean County, Illinois, (hereinafter the City) operates its sewerage system (“the System”) and in accordance with the provisions of 65 ILCS 5/11-129-1 and the Local Government Debt Reform Act, 30 ILCS 350/1 (collectively, “the Act”), and

WHEREAS, the Mayor and the City Council of the City of Le Roy (“the Corporate Authorities”) have determined that it is advisable, necessary and in the best interests of public health, safety and welfare to improve the System, including the following:

Construction of the 2025 Wastewater Treatment Plant Improvements, together with any land or rights in land and all electrical, mechanical or other services necessary, useful or advisable to the construction and installation (“the Project”), all in accordance with the plans and specifications prepared by consulting engineers of the City of Le Roy; which Project has a useful life of 30 years; and

WHEREAS, the estimated cost of construction and installation of the Project, including engineering, legal, financial and other related expenses is \$15,000,000, and there are insufficient funds on hand and lawfully available to pay these costs; and

WHEREAS, the loan shall bear an interest rate as defined by 35 Ill. Adm. Code 365, which does not exceed the maximum rate authorized by the Bond Authorization Act, as amended, 30 ILCS 305/0.01 et seq., at the time of the issuance of the loan; and

WHEREAS, the principal and interest payment shall be payable semi-annually, and the loan shall mature in 30 years, which is within the period of useful life of the Project; and

WHEREAS, the costs are expected to be paid for with a loan to the City from the Water

Pollution Control Loan Program through the Illinois Environmental Protection Agency, the loan to be repaid from revenues of the System and the loan is authorized to be accepted at this time pursuant to the Act; and

WHEREAS, in accordance with the provisions of the Act, the City is authorized to borrow funds from the Water Pollution Control Loan Program in the aggregate principal amount of \$15,000,000 to provide funds to pay the costs of the Project;

WHEREAS, the loan to the City shall be made pursuant to a Loan Agreement, including certain terms and conditions, between the City and the Illinois Environmental Protection Agency;

NOW THEREFORE, BE IT ORDAINED BY THE CORPORATE AUTHORITIES OF THE CITY OF LE ROY, McLEAN COUNTY, ILLINOIS, as follows

Section 1. Incorporation Of Preambles. The Corporate Authorities hereby find that the recitals contained in the preambles are true and correct, and incorporate them into this Ordinance by this reference.

Section 2. Determination to Borrow Funds. It is necessary and in the best interests of the City to construct the Project for the public health, safety and welfare, in accordance with the plans and specifications, as described; that the System continues to be operated in accordance with the provision of the Act; and that for the purpose of constructing the Project, it is hereby authorized that funds be borrowed by the City in an aggregate principal amount (which can include construction period interest financed over the term of the loan) not to exceed \$15,000,000.

Section 3. Publication. This Ordinance, together with a Notice in the statutory form

(attached hereto as Exhibit A), shall be published once within ten days after passage in the News Gazette, a newspaper published and of general circulation in the City, and if no petition, signed by electors numbering 10% or more of the registered voters in the City (300]) asking that the question of improving the System as provided in this Ordinance and entering into the Loan Agreement therefore be submitted to the electors of the City, is filed with the City Clerk within 30 days after the date of publication of this Ordinance and notice, then this Ordinance shall be in full force and effect. A petition form shall be provided by the City Clerk to any individual requesting one.

Section 4. Additional Ordinances. If no petition meeting the requirements of the Act and other applicable laws is filed during the 30-day petition period, then the Corporate Authorities may adopt additional ordinances or proceedings supplementing or amending this Ordinance providing for entering into the Loan Agreement with the Illinois Environmental Protection Agency, prescribing all the details of the Loan Agreement, and providing for the collection, segregation and distribution of the revenues of the System, so long as the maximum amount of the Loan Agreement as set forth in this Ordinance is not exceeded and there is no material change in the Project or purposes described herein. Any additional ordinances or proceedings shall in all instances become effective in accordance with the Act or other applicable law. This Ordinance, together with such additional ordinances or proceedings, shall constitute complete authority for entering into the Loan Agreement under applicable law.

However, notwithstanding the above, the City may not adopt additional ordinances or amendments which provide for any substantive or material change in the scope and intent of this Ordinance, including but not limited to interest rate, preference, or priority of any other ordinance with this Ordinance, parity of any other ordinance with this Ordinance, or otherwise

alter or impair the obligation of the City to pay the principal and interest due to the Water Pollution Control Loan Program without the written consent of the Illinois Environmental Protection Agency.

Section 5. Loan Not Indebtedness of the City of Le Roy. Repayment of the loan to the Illinois Environmental Protection Agency by the City pursuant to this Ordinance is to be solely from the revenue derived from revenues of the System, and the loan does not constitute an indebtedness of the City within the meaning of any constitutional or statutory limitation.

Section 6. Application for Loan. The Mayor is hereby authorized to make application to the Illinois Environmental Protection Agency for a loan through the Water Pollution Control Loan Program, in accordance with the loan requirements set out in 35 Ill. Adm. Code 365.

Section 7. Acceptance of Loan Agreement. The Corporate Authorities hereby authorize acceptance of the offer of a loan through the Water Pollution Control Loan Program, including all terms and conditions of the Loan Agreement as well as all special conditions contained therein and made a part thereof by reference. The Corporate Authorities further agree that the loan funds awarded shall be used solely for the purposes of the project as approved by the Illinois Environmental Protection Agency in accordance with the terms and conditions of the Loan Agreement.

Section 8. Outstanding Bonds.

The City has outstanding bonds (Ordinance 2016B in the original amount of 4 Million Dollars), payable from revenues of the system, that are senior to the loan authorized by this Ordinance, and the City establishes an account, coverage, and reserves equivalent to the account(s), coverage(s) and reserve(s) as the senior lien holders in accordance with 35 Ill. Adm. Code 365.350(a)(10)(C)(WPC).

Section 9. Authorization of Mayor to Executive Loan Agreement. The Mayor is hereby authorized and directed to execute the Loan Agreement with the Illinois Environmental Protection Agency. The Corporate Authorities may authorize by resolution a person other than the Mayor for the sole purpose of authorizing or executing any documents associated with payment requests or reimbursements from the Illinois Environmental Protection Agency in connection with this loan.

Section 10. Severability. If any section, paragraph, clause or provision of this Ordinance is held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 11. Repealer. All ordinances, resolutions or orders, or parts thereof, which conflict with the provisions of this Ordinance are, to the extent of such conflict, hereby repealed.

PASSED by the Corporate Authorities on February 3, 2025.

APPROVED this 3rd day of February, 2025.
