SEWER TREATMENT PLANT UPDATE

Planning and design are underway for improvements to the city's 45 year old sewer plant. Given the average useful life of a wastewater treatment plant is 20-25 years, it is of no surprise most of the processes at the facility are reaching the end of their useful life and require replacement or repair.

These improvements are proactive upgrades to help accommodate future growth as well as provide a more efficient system. More details can be found on the city website.

ALL YOU CAN EAT FISH FRY LEROY UNITED METHODIST CHURCH FRIDAY MARCH 7TH

It's a "drive by" birthday for the Mayor's Fund

Mayor Steve Dean will soon be celebrating his "Music Man" (Seventy-six trombones) birthday, and this year's celebration will be a Drive-by for Cake party.

The mayor, and the cakes, will be in the drive-through lane at LeRoy City Hall on Saturday, March 8, from 11:00 am until 2:00 pm., to give out birthday cake and accept donations for The Mayor's Fund.

The annual fundraising event provides for several events which have become community traditions over the past several years, such as

The Mayor's Easter Bunny Parade
Light Up LeRoy

Shakespeare in the Park
The Mayor's Candy Cane Day

Additionally, the Mayor's Fund sponsors at least two other events or projects. This year, the fund will be supporting at least one Eagle Scout project and a special event for Arbor Day: "100 Saplings for Le Roy."

Other projects will be added as funds are available.

Everyone is welcome to come by city hall for cake!

Anyone who can't make it is invited to support the fund by sending a donation to:

Mayor's Birthday, LeRoy City Hall,
207 S. East Street, LeRoy, Illinois 61752.

Gifts to the fund may also be dropped off at city hall or left in the after hours drop box.
