POULTRY RULES AND REGULATIONS

Chicken Enclosures: Chickens lawfully kept within the City shall be kept within the fenced area of the rear yard at all times. Chickens shall be secured within a Hen House during non-daylight hours. Chickens shall not be allowed in areas without a fence, or in the front or side yards at any time. Hen Houses, shall be kept in a condition conforming to the following standards:

1. Hen Houses shall be kept in a clean, dry, odor-free, neat and sanitary condition at all times such that they shall not become a nuisance nor create aesthetic blight.
2. Hen Houses shall provide adequate ventilation and adequate sun and shade and shall be impermeable to rodents, wild birds and predators, including dogs and cats.
3. Hen Houses shall be designed to provide safe and healthy living conditions for chickens with a minimum area of four (4) square feet per bird while minimizing adverse impacts to other residents in the neighborhood.
4. Hen Houses shall be enclosed on all sides and shall have a roof and doors. Access doors shall be able to be shut and locked at night. Opening windows and vents shall be covered with predator- and bird-proof wire of one (1) inch or smaller openings.
5. The materials used in making a Hen House shall be uniform for each element of the structure such that the walls are made of the same material, the roof has the same shingles or other covering, and any windows or openings are constructed using the same materials. Construction of Hen Houses and Chicken Tractors shall be done in a good, workmanlike manner. The use of scrap, waste board, sheet metal, or similar materials is prohibited.
6. Hen Houses which store chicken feed must be constructed such that the feed is stored in rodent-proof containers. Uneaten chicken feed shall be removed in a timely manner.
7. All stored manure shall be covered by a fully enclosed structure with roof or lid over the entire structure. No more than three (3) cubic feet of manure shall be stored on the permitted tract of land. All other manure not used for composting or fertilizing shall be removed. The Hen House and surrounding area shall be kept free from trash and accumulated droppings.

Uses Prohibited. Chicken breeding, fertilizer production, bird fighting, and butchering of chickens kept under this Ordinance are hereby prohibited.

Chickens at Large. The Permittee shall not allow his or her chickens to roam outside of the fence enclosed rear yard on the Lot for which the Permit was granted. No dog or cat or other domesticated animal which kills a chicken off the permitted tract of land will, because of the attack on the chicken, be considered a dangerous or aggressive animal for the purposes of the City's animal control provisions.
