A JOINT AGREEMENT BETWEEN THE STATE OF ILLINOIS
AND THE CITY OF LEROY, ILLINOIS

Regarding: U.S. Route 150 (FA 1517)
Section (3)W&RS-2
McLean County
(From West To East Corporate Limits of LeRoy)

Exhibit A

This agreement, entered into the _____ day of _____, 1996 by and between the State of Illinois, through its Department of Transportation, hereinafter called the STATE, and the city of LeRoy of McLean County, hereinafter called the CITY.

WHEREAS, to facilitate the free flow of traffic and ensure safety to the motoring public, the STATE is desirous of improving U.S. Route 150 (FA 1517), State Section (3)W&RS-2, including portions of Washington, Walnut, and Cedar Streets. The proposed improvement will begin at the CITY's west corporate limits and extend east, south, and southeasterly to ± 0.6 kilometers (± 0.4 mile) southeast of the CITY's corporate limits; as indicated on the map attached hereto as Exhibit 1. The said project will include the following work:

- A. Generally widen the existing ± 6.7 meter (22') pavement and construct a ± 9.2 meter (30') wide curb and gutter pavement section with a storm sewer system. Outfalls for the storm sewer system will be routed south along Main Street to the railroad, thence southeast along the railroad to the drainage ditch, and downstream from a box culvert located under U.S. Route 150 near Barnett Street.
- B. Construction of the proposed curb and gutter urban pavement section will require the STATE to relocate an estimated total of 880 meters ($\pm 2,890'$) of water main located along the south side of U.S. Route 150 between Main and Park Streets.
- C. At the CITY's option, construct an estimated total of $\pm 1,960$ meters ($\pm 6,430'$) of ± 1.2 meter (4') wide concrete sidewalk at the following locations:
 - North Side of Washington Street - Hemlock to Walnut (± 472 meter/ $1,550'$).
 - East Side of Walnut Street - Washington to Main (± 622 meter/ $\pm 2,040'$).
 - North Side of Cedar Street - Main Street to mid block between Chestnut and East Street (± 143 meter/ $\pm 470'$).
 - South Side of Cedar Street - Chestnut to East (± 92 meter/ $\pm 302'$).
 - North Side of Cedar Street - West half block between East and Pearl (± 58 meter/ $\pm 190'$).
 - North Side of Cedar Street - East half block between Pearl and Mill Streets (± 60 meter/ $\pm 197'$).
 - South Side of Cedar Street - East half block between Pearl and Mill Streets (± 46 meter/ $\pm 151'$).
 - North Side of Cedar Street - East three quarter block between Mill and Barnett to Park Street (± 470 meter/ $\pm 1,542'$).
- D. Upsize an estimated total of 783 meters (2,570') of 102 millimeters (4") diameter water main to a 204 millimeter (8") diameter size. The said upsizing shall occur along the south side of U.S. Route 150 (Center Street) from East Street easterly to Park Street to be accomplished as part of the general storm sewer relocation cited in above paragraph B.

LEROY

E. Upsize storm sewer to variable diameter sizes to accommodate the city's additional water discharge volumes at the following locations:

- At Allen Street - Upsize 30 meter (98') of 610 mm diameter (24" diameter) to 760 mm diameter (30" diameter).
- Allen Street to White Street - Upsize 195 meter (640') of 610 mm diameter (24" diameter) to 1,070 mm diameter (42" diameter).
- White Street to Near North Street - Upsize 260 meters (853') of 762 mm diameter (30" diameter) to 1,070 mm diameter (42" diameter).
- Near North Street to Near Main Street - Upsize 675 meters (2,215') of 762 mm diameter (30" diameter) to 1,219 mm diameter (48" diameter).
- Barnett Street to High Street - Upsize 201 meters (660') of 457 mm diameter (18" diameter) to 610 mm diameter (24" diameter).
- High Street to Daniel Street - Upsize 100 meter (328') of 381 mm diameter (15" diameter) to 610 mm diameter (24" diameter).
- Railroad Outfall - Upsize ± 653 meters ($\pm 2,145'$) of 914 mm diameter (36" diameter) to $\pm 1,370$ mm diameter (54" diameter).

F. Perform all other work in accordance with the approved plans and specifications.

WHEREAS, the CITY is desirous of the said improvement in that same will be of immediate benefit to CITY residents and permanent in nature; and

WHEREAS, the CITY has expressed its desire to participate in financing the cost of storm sewer and water main upsizing and sidewalk.

WHEREAS, the STATE and CITY have entered into an earlier and separate agreement dated October 1, 1996 relating to the improvement of STATE maintained Interstate 74 Frontage Road (SBI Route 119A Spur 24.88 and OR 9). As cited in the agreement, the CITY agreed to improve the said Interstate 74 frontage road and assume jurisdiction of the road, and the STATE agreed to apply \$65,000 credit toward the CITY's share of cost for storm sewer upsizing and sidewalk construction along U.S. Route 150 as compensation for the CITY's improvement of SBI Route 119A Spur 24.88 and OR 9.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties agree as follows:

1. The STATE agrees to make the surveys, prepare plans and specifications, obtain the necessary right of way, receive bids and award the contract, furnish engineering inspection during construction, and cause the improvement to be built in accordance with the plans, specifications, and contract.

LEROY

2. The STATE agrees to pay all construction and engineering costs subject to reimbursement by the CITY as hereinafter stipulated. It is mutually agreed by and between the parties hereto that the estimated cost and cost proration of this improvement is as follows:

	<u>TOTAL</u>	<u>FEDERAL</u>	<u>STATE</u>	<u>CITY</u>
Road Construction	\$962,000	\$769,600 (80%)	\$192,400 (20%)	\$0

Grand Total	\$2,760,316	\$1,754,661	\$703,825 SAY	\$301,830 \$302,000

* CITY's cost to be 23.4 percent of total storm sewer cost (\$1,110,000). Determination of CITY's \$260,100 cost for storm sewer upsizing shown in attached Exhibit No. 7 cost table.

- ** CITY's cost to be 31.25 percent of the total upsizing water main cost (estimated at \$82,240). Determination of the CITY's \$25,700 cost for water main upsizing is shown in attached Exhibit 8.

CITY participation shall be predicated on the percentages shown above for the specified work. CITY cost shall be determined by multiplying the final quantities times contract prices plus 15 percent for construction and preliminary engineering.

3. The CITY has passed a resolution appropriating \$304,000 to reimburse the STATE for the work described in paragraphs A through E. A copy of the resolution is attached hereto as Exhibit 2 and made a part hereof. The CITY agrees to pass a supplemental resolution to provide additional funds if the amount appropriated herein proves to be insufficient to cover its share of the costs.
4. The CITY agrees that upon receipt of the first and subsequent progress payments made to the contractor, the CITY will pay to the Illinois Department of Transportation of the state of Illinois an amount equal to the CITY's share of \$302,000 divided by the estimated construction costs, \$2,760,316, multiplied by the actual progress payment made to the contractor, until the entire obligation incurred under the Agreement has been paid, based upon final bid unit prices.
5. Upon final field inspection of the highway improvement and as long as U.S. Route 150 is used as a state highway, the STATE agrees to maintain or cause to maintain the highway's 4 meter (13') wide through turn lanes and curb and gutter adjoining these lanes, roadway shoulders and ditches, located within the state right of way.
6. Upon final field inspection of the improvement, the CITY agrees to maintain or cause to be maintained those portions of the improvement which are not maintained by the STATE including sidewalks, parkways, guardrails, crosswalk and stop line markings, CITY owned utilities including appurtenances thereto, highway lighting including furnishing the electrical energy therefore and shall maintain the storm sewers and appurtenances by performing those functions necessary to keep the sewer in a serviceable condition, including cleaning sewer lines, inlets, manholes and catch basins along with the repair or replacement of inlet, manhole and catch basin frames, grates or lids plus structural failures to a maximum length of 12' between adjacent manholes. The maintenance, repair, and/or reconstruction of storm sewers constructed as part of this improvement beyond the aforescribed responsibilities shall be that of the STATE. The STATE shall share the cost of maintenance, except as aforescribed, repair and/or reconstruction of the joint use serves to the same proportioning as the sewer's initial construction costs were proportional.
7. The STATE agrees to have a CITY representative present in the field during the installation/upsizing of water main along U.S. Route 150 to inspect particularly the grades and elevations of the water main.
8. The CITY agrees that any work necessary to service waterlines to residences and businesses, beyond disconnecting and reconnecting to the said relocated watermain, shall be the responsibility of the CITY.

9. The CITY agrees to obtain all necessary EPA permits and provide or cause to provide all necessary field inspection of the contractor's hydrostatic and disinfectant testing of new water main and related appurtenances, at no cost to the STATE.
10. The CITY agrees to assume the responsibility of planting trees to replace those trees having been removed as a result of the road construction. Tree replacement shall be completed in accordance with conditions set forth in the STATE's urban tree replacement procedures, a copy of which is attached hereto as Exhibit 6 and made a part of. The STATE agrees to reimburse the CITY for 100 percent of the actual tree replacement costs, subject to a maximum of \$250 for each newly planted tree. The actual number of trees to be replaced is 24 and the total maximum tree replacement cost to the STATE and reimbursement to the CITY is \$6,000. The STATE's reimbursement to the CITY shall be in the form of a \$6,000 credit to be applied against the CITY's share of cost of other improvements made in conjunction with the Route 150 road project. The CITY further agrees to complete all 24 tree plantings within a year after the final field inspection of the U.S. Route 150 project and allow STATE personnel to inspect the tree planting operations both during and upon completion of the work.
11. It is mutually agreed that the STATE's described reimbursement to the CITY represents the STATE's total obligation to the said tree plantings. All future maintenance and other obligations, incurred or implied, will be that of the CITY or its contractors.
12. Upon completion of the final field inspection of the water main, the CITY will resume jurisdiction of the said facilities and the STATE is absolved of any further involvement with the water main.
13. The CITY agrees not to permit driveway entrance openings to be made in the curb as constructed, without the consent of the STATE.
14. The CITY shall exercise its franchise right to cause private utilities to be relocated at no expense to the STATE.
15. The CITY agrees to cause its utilities, located on right of way acquired by the STATE or installed within the limits of a roadway, to be relocated and/or adjusted at no expense to the STATE.
16. The CITY agrees to provide, prior to the STATE's advertising for the work to be performed hereunder, approval of the plans and specifications as prepared by resolution or letter.
17. The STATE agrees to invite a CITY representative to accompany STATE personnel during field inspection of the sidewalk construction and storm sewer upsizing.
18. The CITY will adopt and put into effect, prior to the STATE's advertising of the work to be performed hereunder, an appropriate ordinance regulating parking along U.S. Route 150 and will in the future prohibit parking at such locations or immediately adjacent to the improvement as may be determined necessary by the STATE from traffic capacity studies. A copy of this ordinance is attached as Exhibit No. 3 and made a part hereof.

LEROY

19. The CITY has adopted and put into effect, prior to the STATE's advertising for the work to be performed hereunder, an appropriate ordinance relative to the deposition of encroachments and prohibiting in the future any new encroachments within the limits of the improvement; a copy of which is attached as Exhibit No. 4 and made a part hereof. Such disposition of encroachment shall be cooperatively determined by representatives of the CITY and STATE.
20. The CITY has adopted and put into effect prior to the STATE's advertising of work to be performed hereunder, an ordinance prohibiting the connection of sanitary or waste sewers to storm sewer drainage systems. A copy of this ordinance is attached as Exhibit No. 5 and made a part hereof.
21. This agreement and the covenants contained herein shall be null and void in the event the contract covering the construction work, contemplated herein, is not awarded by November 1, 1998. This agreement shall be binding upon and to the benefit of the parties hereto, their successors, and assigns.

ORDINANCE NO. 644FIRST SUPPLEMENTAL ANNUAL APPROPRIATION ORDINANCE FOR THE CITY OF
LEROY, ILLINOIS, 1995-96

WHEREAS, the Mayor and City Council of the City of LeRoy, McLean County, Illinois, an Illinois municipal corporation, have determined that it is in the best interest of the City of LeRoy to undertake a storm sewer construction project in connection with the State of Illinois, Illinois Department of Transportation, proposed construction work along Rt. 150 through the City of LeRoy from the west city limits to the east city limits, as the lack of storm sewers in the city represents a hazard to the public health, safety and welfare, and the City would be better enabled to achieve economies of scale and more efficient use of funds by undertaking the aforesaid construction work in connection with the State of Illinois highway construction work as aforesaid; and

WHEREAS, the Mayor and City Council of the City of LeRoy, McLean County, Illinois, have determined that revenues would be available to the City of LeRoy in addition to those initially anticipated and appropriated when the annual appropriation ordinance for the City of LeRoy for the fiscal year 1995-96 was adopted,

NOW, THEREFORE, BE IT ORDAINED, by the City Council of the City of LeRoy, McLean County, Illinois, in lawful meeting assembled, as follows:

Section 1. That Appropriation Ordinance No. 618, being the general appropriation ordinance for the City of LeRoy for fiscal year 1995-96, is hereby amended by the addition of the following words and figures as a separate line item at the end of all other line items set forth in V.

C. Capital Items:

"For expense of installation and construction of storm sewers under, along and either side of Rt. 150 through the City of LeRoy, Illinois, from the west city boundary of the City to the east boundary of the City, more or less following Washington Street for a ways, Walnut Street for a ways, and Cedar Street to the east boundary of town,
